7th Grade Basketball

By: Bryson Connor

My Dad has many jobs. One of them is coaching 7th grade basketball. I am going to tell you about it!

My Dad has a very good team. Their record is 9 wins and 2 losses. Their conference (area) record is 2 wins and 0 losses. My favorite players are Blake Graham and Justin Fox.

I am also the ball-boy for the team. That means that I can go to the practices with the team. Being a ball-boy means that I can also pick up and hand balls to the players.

That is all about my Dad's 7th grade basketball team.

Wrestling Results

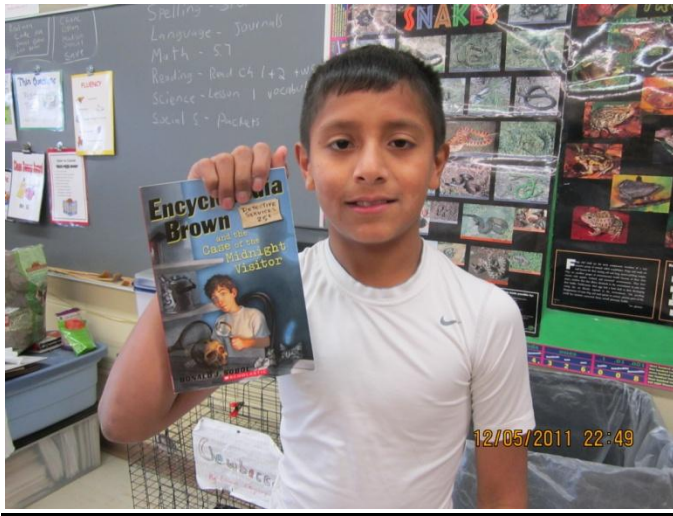

By: Cade Enerson

On Saturday and Sunday the wrestlers had two tournaments. One was in Gibson City and the other was in Seneca.

Justin Allen got first place in Gibson City and in Seneca. Daniel Gutierrez got first in Gibson City and in Seneca. Tim Clark, in Mrs. Bastion's class, didn't go to Gibson City. He only went to Seneca. He got third there and so did his brother Steven. I got second at both tournaments. Logan Deacetis got first in Gibson City and that is the only one he went to.

I am doing "Real Men Read" group with my friends. We are reading "Encyclopedia Brown and the Midnight Visitor". It looks very cool and interesting.

Every Wednesday, we meet with Lance Leeds and he is a Methodist preacher. He is also Mr. G's friend.

I enjoy reading in this group with my friends. My favorite book that we have read is "The Outsiders". I am a real man that reads!
