Bowling Leagues

By: Sevin Vargas

I participate in bowling on Saturdays. I am on a travel team. We travel all over Illinois. I have been to 3 places so far. I have been to Streator, Ladd, and Marseilles.

I have been bowling for seven years. I have broke a 160 before! I hope I can become a professional bowler and win a BIG trophy. I will never be bad at bowling.

Recycling

By: Hailey Hirsch

Why do people recycle? I know why!!! They do it to keep the world clean! Our school is the best at that.

Usually every Friday or maybe Monday or Tuesday, Mr. G picks four or five people to go to every class in the grade school section and the Jr. High section and empty their recycling. When the bin is half full, Mr. G dumps it in the big recycling thingy.

When I did recycling once, I forgot to take the recycling bag out. You are supposed to take it out. You are also only supposed to fill the bin up half way, but I forgot about that rule. So I filled it up all the way.

That's all about recycling!!! We should help keep our earth clean!!!

Tundra Lodge

By: Payton Sulaica

A couple of years ago, I went to my Aunt's hotel, the Tundra Lodge, for my birthday. We got 7 bags of tokens for the arcade, and we still have 3!

They have a giant water park at the lodge. My mom made a "PB & J" birthday cake, but no one ate it. So we celebrated at the arcade.

I hope that we can go to the Tundra Lodge again this year!!!

PBIS Bowling

By: Josie Snyder

On Monday, January 23, the whole school went bowling. I only got 1 strike. I'm REALLY bad at bowling, but some people are really good.

We went bowling because it was a PBIS celebration. They are always fun. I hope everybody had as much fun as I did!
