## **Roller Skating**

**By: Hailey Hirsch**

**On January 28<sup>th</sup> our class is going roller skating in Coal City!! I think it will be so much fun! Mr. G said last year when they were there someone broke their arm, but they weren't in Mr. G's class. But I'm not worried that I'll break my arm, even though last time I was there I about broke my wrist. I can't wait!! I love roller skating!!**

**By: Sevin Vargas**

**Hi this is Sevin, I'm going to talk about the truck stop Loves. My dad works at Loves he changes truck tires in the tire shop. He gets paid a hundred dollars. Next they have Hardees the truckers and Loves people have lunch there. Last they have the Loves building inside it is huge. They sell helicopters, toy trucks, and snacks. I even know the manager. I wish I can go out there all the time.**

## The New Guinea Pig

By: Josie Snyder

Every year our school does class Basketball. We divided up in to even teams and we will have tournaments. I hope I win most of them my brothers are playing too. I hope we can do Basketball every year. Mr. G is going to be the referee. I wish my friends were on my team. My dad is the referee too.

Our old guinea pig, Chewbacca died over Christmas break. WE got a new one it's a baby. His name is Dempsey. He isn't fully trained yet but we're working on it! He is so small and cute, but he bites you all the time. I hope Dempsey likes his new home!
